What's New in the EXIF Eraser?

Display as well as remove all commonly used EXIF information from images. Waste as many as half of a disk space by automatically erasing all EXIF information. Save as many times, you may keep EXIF information. Easy to use and friendly. No installation needed. Accepts any large directory and sub-directories. Smaller in size as well as faster to run. What's New in EXIF Eraser 3.2.0: Product Name: EXIF Eraser Publisher's Description EXIF Eraser is a lightweight and portable piece of software capable of automatically erasing all EXIF information from image files, in order to reduce overall size occupied on the disk. It comes in handy the moment you have numerous images that take too much space on your digital camera or other types of devices. As installation is not a prerequisite, you can place the program files in any location on the disk and just click the executable to run. There is also the possibility of copying EXIF Eraser to a removable storage device, in order to run it on any PC with minimum effort and no prior installers. What's New in EXIF Eraser 3.0.0: In response to the request from users, the EXIF Eraser has been improved with new design, more smooth and intuitive. Stats Categories Hear The Fuck In Your Head "What are you doing?" "I'm doing what girls do." "No, what you really wanna do is fuck." "I know." "Been together for years." "I told you before, I don't care about all that." "But do you care about what I said?" "I don't know, I don't really care. You're just a girl I fucked." "Yeah, and I'm a girl you fucked too. A woman. I'm a woman." "What I mean is, I can fuck the hell out of you and leave you with a bad taste in your mouth." "Oh, I'm not a sweetheart. If that's what I need to keep you coming back for more, then so be it." Passion, love, lust, need, desire, the fuck, need, want, hunger, the feeling. All of it can be so fleeting. What's left for me, and

System Requirements:
