Elden Ring [Mac/Win]

The storyline of the game: A stark landscape has appeared in the Lands Between. Many grains have appeared on the ground, and lakes full of water and swamps have appeared in various places. Fields of grains are becoming harder to reap, and many weeds are sprouting around. All of this is the work of a demonic force that has invaded the Lands Between. This story is shared in fragments, but there is a single truth behind it. It is the "Zeal of the Elder Gods." The lord of the lands between. A new type of character that has a combination of both the power of a Lord and that of an Elder God. 1. As a Lord, you can command your followers to battle with you. 2. As an Elder God, you can unleash devastating attacks and purify the lands between. 3. It is easy to access the combat features, and you can chain together various attacks by attacking during special timings. 4. The AI has been improved, making combat more lively and complex. 3. Vision of the area map in battle. What's new:

With a hero who has been cursed with the blood of the dead, and a benevolent father who inhabits the moon, the setting of the story is a world in which seven royal houses fight for power with each other and are duking it out amongst the Dead Sea. With this possibility, the game offers much drama to reflect what happens when evil and good collide.

The hero of the game, "Tarnished," has been cursed with the blood of the dead. After tracing the story of a king named Ereluden who dwells in the moon, who is the father of Tarnished, Ereluden gives his face to the king so that he can enter the kingdom.

With a bard who has accompanied you faithfully up to this point, you enact the greatest hero's journey by fighting giant monsters, dangerous beasts, mystery guardians, and more.

By holding a grudge against his father who sent his beloved wife to the moon, Tarnished embarks on a journey to search for her. In addition to travelling through the endless vast Fields of the Dead, you also have the option to enter dungeons and defeat huge monsters. And, in order to find and secure the king's magical shield, you must go on an adventure through the treacherous Grand Canyon.

And, you gain the ability to freely communicate with other players, as you venture forth to do your best.
