Speaking about the award-winning development studio DICE, creator of the Battlefield franchise, Sakaguchi said, "I am very happy to be able to partner with DICE and work on an amazing FIFA game. "We, at DICE, share EA's passion to innovate in gaming and deliver great experiences. I am looking forward to working with our talented team to make sure FIFA 22 delivers the most complete and authentic FIFA game to date." FIFA 22 takes place in 'South America' FIFA 22 takes place in a fictional country called "Anzo", which is based in South America. It's a blend of Latin American and South American cultures. This fictional region is ruled by a dictator named "El Presidente". After committing an illegal act while in office, the dictator has been removed of his power by the West, and the FIFA Best team have replaced him in the year 2022. The game features 19 real-life world-class players, including Spanish star Real Madrid's Luka Modric and Borussia Dortmund's Spanish midfielder Andres Iniesta. Players will be able to experience a host of new 2v2, 3v3 and 5v5 multiplayer modes, including brand new gameplay modes like 3on3 Rush, 5v5 Team Battle, and 7v7 Knockout. In addition to the new modes, the game also features a number of gameplay innovations that will improve the FIFA experience. These include: The career mode. Improved celebrations. Improved off-ball movement animations. Hype Motion Superplay. New weather, pitch and stadium surfaces. New stadium crowd AI and animations. New pitch equipment: Goal line and crossbar. FIFA 22 will be available in PS4, Xbox One and PC in North America, Europe and South America. The standard and Deluxe versions of the game will be available separately, priced at \$59.99 and \$69.99 respectively. The Ultimate Edition will be available separately for \$99.99. Enjoy a wide variety of game modes such as the new FUT Champions Mode, where you can compete in a brand new 'Champions League'. What are the new features in FIFA 20? We are now in the season of football. Every time you play this year FIFA, we will be introducing new features, items and improvements to the game. One of the biggest changes we have for the game is the introduction of AI Speakers. These voices will be able to provide audio commentary during the normal gameplay and we have developed a comprehensive range of voices that not only brings a new experience but that will also enhance the overall presentation of the game. Speaker Highlights: EURO 2016 – Spanish commentary at games in the European Championship (Euro 2016) Champions League 2016 – English commentary at games in the Champions League FIFA WORLD CUP – World Cup 2018 – English commentary at games in the World Cup FIFA EURO 2016 – English commentary at games in the European Championship (Euro 2016) Major League Soccer – English commentary at games in the MLS FIFA 19 – English commentary at games in the FUT Champions Cup We have also improved our AI commentary and now they can call out more offensive and defensive situations at the national and international level, as well as call the difference in the game. We have included the "near post" area where AI's will call out tactical information about players and teams. World Cup 2018 Commentary Are you ready for the game? We are excited to announce that the game will be available for pre-order from September 6th through multiple digital and retail partners. From September 6th: FIFA 20 is the only officially licensed FIFA on the Xbox One and PS4 home consoles in the UK In Europe, there are multiple physical and digital releases available from September 27th, and we look forward to announcing more at a later date. What's New in FIFA 20? We have a wide variety of additions to the game based on your feedback from season 17 in FIFA 19. We have enhanced free kicks and long shots, allowing players to lean into the ball with more control. We have made it easier for more bc9d6d6daa
