They need to do something different. Speaking of different: where was Democrat leadership this past week? They were off campaigning. Where was Ted Cruz? He wasn't there. As a result, Democrats could not simply re-state their version of "three provisions" immigration bill, the amnesty. They had to describe all the differences. This is what the Democrat Party is all about. "4,051 more years of the same polices," as Mark Levin described it. They can't just restate Occ13b012
